HOBBIES & INTERESTS

My hobbies are listening to new genres of music and exploring new things. I have a keen interest in learning DJing & I love to code, take photographs & play video games.

CAREER OBJECTIVE

My goal is to become associated with a company where I can utilise my skills and gain further experience while enhancing the company's productivity & reputation.

SKILLS

Photoshop – Beginner

HTML5 – Intermediate

CSS – Intermediate

Bootstrap – Intermediate

EXPERIENCE

Graphics Curator

I've worked as a Graphics curator for Aashayein – The Life Saviours, Soch & Street Football in Renaissance 2018. I've made several social media posts using Photoshop for these groups.

Campus Ambassador

I am currently working as a campus ambassador under their marketing team of RedCarpet.

Volunteering

I've worked as a volunteer for Aashayein – The Life Saviours for their blood donation camp held in our college. Also, I'm a proud blood donor.

Hope to work together!
